# Random Praise for the Flogmaster's Writing

*Great stuff, perhaps the 20 x 3 was a tad OTT but the detailing of the watcher's thoughts and emotion was powerful, especially getting so turned on. Her description of her own grounding was unpleasant, there must have been such a bad atmosphere in the house, a spanking would have been cathartic but closing.*

**S.M.S.**

*What a great story. I really enjoyed the Headmaster's reminiscing and explaining his caning rituals, the conversation, the prolonging of the punishment, and the obvious enjoyment of the task, although he describes discipline as a horrible thing. And then when Monique turns up, there were such lovely descriptions of her and her caning.*

**KPE**

*What goes around, comes back. Boy, what a trip that was!*

**I.C.**

*Great story. At least something good has come out of this disaster. I hope they get to stay together.*

**TC**

*Such a misunderstanding... with a happy ending!*

**N.J.R.**

*I haven't read a Flogmaster story in years... and they're just as clever as they always were.*

**H.S.**

*Very interesting premise. I loved the ending.*

## **Selected Excerpts**

### **From *A Mom Spanked*:**

Angela pointed to the pine board on the wall behind my head. It was there mostly for intimidation, though I have used it a few times in my career.

“The paddle’s right there. I want you to use it on my butt.”

### **From *Age Is Just a Number*:**

She hadn’t planned on coming out to the barn. She’d thought a little loan would earn her a trip over his knee in the main house, not a whipping. She found a bale of hay and sat, the prickly stuff jabbing her bottom like she was being given several shots at once. She carefully undid her laces and took off her jogging shoes. Then she wiggled her pants down and sat back on the hay bale in just her panties, the pricks much more invasive.

She felt ridiculous walking around the barn half naked. Her father had taken the old razor strop off the wall and stood waiting. Jenny couldn’t stop her shiver when she saw it, thick and hard in his hands. So many awful memories.

### **From *A Red-Hot Strapping*:**

Rick smiled at her. Rose was small and slender, but oh how she had curves! Clothed she was a vision, dainty and adorable with a friendly smile and golden curls. Naked, she was every boy’s wet dream, as chaste as their schoolteacher crush, and as voluptuous as a 1960’s pinup.

He’d never seen such perfection until he’d met Rose. Hourglass barely scratched the surface of describing her figure, which had exciting curves everywhere one looked. He fell in love with the firm dip in her lower back, her waist trim and tight, the erotic swell of her bottom, curving out plumply before gradually tucking under to join her sturdy, graceful thighs. Everything was round, smooth, and pale. Rose was a spanker’s dream, with a bottom ideal for every kind of discipline.

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Mom Spanked

**(★★★★, M/F—Severe, consensual paddling)**

A mother wants to be paddled by her daughter’s principal.  
(Approximately 3,566 words.)

**M**ost of the moms I see are past 30. That’s not exactly beyond their sell date, but they do tend to be a certain type. Sure, we’re a private school, which means expensive, so these ladies of luxury all tend to be attractive and fit, with personal trainers and weekly visits to salons and spas, but even they can’t stop Father Time.

This was especially noticeable when a new mom showed up. Her name was Angela and she must have had her kid when she was 15, because she couldn’t be too

much over age 20.

Angela was slender and curvy, with rich auburn hair, and a killer cute face that needed no makeup or aid. She was gorgeous and utterly unpretentious. She didn't wear all the designer shoes and silly accessories the other moms favored; she was fine with jeans and a casual shirt, and still looked like a million bucks.

Once I'd noticed Angela, the other moms *really* looked over the hill to me. Not unattractive, but I definitely saw hints of aging. Angela was practically a teenager in comparison. The other moms were jealous and would make rude comments about her age, cracking wise about her being "still in diapers" or "She must be the au pair, not the mom!" or "Does she still take Flintstones vitamins?"

None of this seemed to bother Angela, who laughed along with the others. She did not seem bothered by her youth and certainly won the war simply by showing off her elegant, toned body. She wasn't rail thin or scrawny; she had amazing hips and a terrific butt.

Of course, that didn't go well with the others, who resented her terribly. I felt rather sorry for Angela, who wasn't trying to be a bitch—she was just younger and prettier. It wasn't like she was out for their husbands, though I suppose her being a single mom didn't help matters.

As I said, I didn't think this bothered Angela, but I was wrong. She kept up a great act, fooling me, being nonchalant about everything, but one day she came to my

office after school and explained that she was struggling to fit in. Her daughter loved the school, but Angela felt the other mothers were making it hard for Angela to participate in school activities. She always got the shit jobs on committees, was often “forgotten” to be notified of parent events and meetings, and even her daughter was being slighted.

“One of the other girls had a big birthday party and my Anna was the only one not invited,” Angela said to me.

“Are you sure that wasn’t a mistake?” I asked. “Maybe they just forgot her invitation.”

“Oh no. It was deliberate. I confronted the mother and she point-blank told me that she didn’t want me there. ‘I’d rather not have your kind around my husband,’ she said. I told her I had zero interest in her husband, but it made no difference.”

“I’m really sorry, Angela. It’s not fair at all, but I’m just the school principal. I don’t have any control over what the mothers do.”

“Yes, but I have thought of something you can do that might help.”

“Sure, anything.”

“I’d like you to paddle me.”

“Excuse me?” I knew I had to have heard wrong.

Angela pointed to the pine board on the wall behind my head. It was there mostly for intimidation, though I have used it a few times in my career.

“The paddle’s right there. I want you to use it on my

butt.”

Now I thought I had lost my mind. “Uh, Mrs. Parker, that paddle is for students, and even then it only gets used a few times a year. Kids that attend Kingsbridge are generally well-behaved.”

“Sure, but that doesn’t mean you can’t use it on me. And call me Angela, please.”

“Why on earth would I paddle you, Angela?”

“To get those other mothers off my back.”

“I do not follow.”

“They hate me, right? They think I’m young and pretty and after their overweight husbands.”

“Uh, okay. I see that. But how does paddling help?”

“It will make them feel superior. They’ll really think I’m a child, which will mean I’m no threat to them.”

I considered this. It was such a crazy idea I wanted to dismiss it, but there was a weird logic to it. If Angela were spanked like a kid, it would be humiliating. It would lower her status. I could imagine the other mothers all feeling better about themselves and thinking—by their own weird logic—that Angela had gotten what she deserved.

“I’m not saying I agree,” I said cautiously, “but just to explore the idea, wouldn’t they have to *see* you get paddled for it to work?”

“Oh, of course. It would have to be in public. At least, in front of the other mothers.”

“And how would we arrange that? What possible excuse could we use?”

Angela grinned. “That’s easy. We just say that Anna got in trouble, but it was my fault, so I’m taking the spanking. We do it at the monthly brunch. You can say it’s done in public as a warning to the others or something.”

“Why would your daughter getting in trouble be your fault?”

“Oh, lots of things. Like I heard about a kid that got in trouble for bringing a plastic knife to school. He hadn’t done anything—his mom had put it in his lunch without realizing it was considered a weapon. Or maybe she flunked a test because I didn’t let her study, or I absentmindedly put my cigarettes in her schoolbag instead of my purse. Something like that. We’ll have to flesh out the details.”

“Okay, I suppose that could make sense.” I thought for a moment. “The paddling would have to be pretty severe if it’s to stop the others from resenting you.”

“Of course. That’s not a big deal. I got spanked a lot growing up. I had Anna young, as you probably know, and my parents put me on a strict regime. They paddled me for *everything*. I was even on a maintenance program for a couple of years: got licks every Sunday night even if I behaved. So I can handle a little paddling.”

Was I crazy? Or maybe I just wanted to spank the pretty young woman. Either way, I somehow found myself agreeing with her nutty plan. We sat for the next 30 minutes and worked out all the details. (We forgot an important one, but I’ll get to that in a minute.)

The following Saturday was the brunch. It's held in the teacher's lounge and typically attracts 20-30 of the most involved mothers. Normally I just do a courtesy appearance, as a representative of the school, make a little toast, and answer a few questions. But this brunch was going to be different.

It started out the same, I welcomed everyone, made some announcements and reminders, and then I grew grave. "Ladies, before I let you go, there is one more thing. I'm afraid there's an important matter that must be handled this morning. It's a critical issue of discipline."

I paused to let my words sink in and my silence attracted all eyes. Everyone was staring at me, puzzled. I waited another few beats and then continued.

"A certain student at this school has committed a terrible crime," I said. "This young lady—the daughter of one of you in this room—was caught with a 'cheat sheet.' As you know, we take cheating extremely seriously at Kingsbridge. It's normally an expulsion-level offense.

"However, in this case there are extenuating circumstances. First, the girl in question seemed genuinely surprised to find the list of answers on her person. Second, she claimed it was a study sheet her mother had made to help her prepare for the exam.

"When I telephoned her mother, she confirmed this was indeed the case. The answer key was only supposed to be used for studying, not cheating, and the mom confessed that she must have left it in with her daughter's school things by accident.

“This explained the matter, but it still didn’t absolve punishment. We can’t let something this serious go by without consequences. I decided that corporal punishment would have to be used.”

There were a few surprised gasps, and one or two mutters that signified some thought this unfair. After all, the girl hadn’t done anything wrong.

“This is when the girl’s mother did something interesting. She insisted that I paddle *her*, not her daughter. Her daughter was innocent. It was the mom’s mistake. *She* is the one who deserved the punishment.”

“You paddled a *mom*?” someone said, shocked.

“Not yet,” I said, holding up the school paddle. “But I will.” There were more gasps and I had to wave the ladies silent.

“Listen, this is a *serious* situation,” I bluffed, “and I wanted everyone else to learn that as well. You are all responsible for the behavior of your children. Therefore, I decided that if I was going to do this—paddle this mother—it would happen here, today, at brunch, in front of this group.”

The awe was so prominent I could taste it. I let them absorb this information and I saw that after a few seconds, they were mainly looking around at each other wondering which mother had agreed to be spanked. The only one who wasn’t, was Angela, who sat rigid in her chair with a mild blush on her face. Eventually someone noticed, jabbed another in the ribs and pointed, and soon everyone was staring in disbelief at the auburn-haired

young lady.
