*I want to go camping with that girl.*

**O.G.**

*Superb series! Ambivalent yet insatiable heroine, receiving discipline from a patient yet uncompromising Sir.*

**S.S.**

*Oh wow! I never saw that coming. That was a true sucker punch, Flogmaster.*

**B.O.**

*The early descriptions of the tensions around being in lockdown together were so realistic and the behaviour of the teenage girl with her eye rolling, not doing her school work, leaving dirty clothes around were like a fly-on-the-wall documentary. It's good that spanking sorted her out and made her and her father closer.*

**KPE**

*There is a loving relationship growing, besides the kink.  
Wonderful.*

**A.R.D.**

*Great story, scary and exciting. Enjoyed reading it.*

**L.H.**

*Super hot! And awesomely creative! Thank you!*

## **Selected Excerpts**

### **From *The Cute One*:**

In the familiar office she felt the equally familiar trepidations of fear. This was an awful place, an unpleasant room of rigid formality and keen suffering. Yet for reasons she didn't completely understand, she kept returning here. It was like she was cursed. She wasn't *that* bad of a girl, was she?

"You know the drill," the Head said. "Skirt and knickers off. Wait in the corner until I'm ready to deal with you."

### **From *In the Mood to Paddle*:**

Just to make the girl more nervous and imply consequences, he stood up and took down the Board of Education from its spot on the wall. He placed the heavy slab of wood prominently on his desk, right in front of the frightened figure. He could see her large breasts trembling through her tight pink top. Her eyes were blue quarters, full of wonder and fear.

### **From *Teacher Audition*:**

Mr. Morrell studied Anna. She was smaller and slimmer than Leah, more cute than pretty, with petite tits and a small, firm bottom. Once she was lying across his legs, his palm cupped the girl's pert bum, squeezed hard, and then he began to spank her, loud slaps echoing around the schoolroom.

Meanwhile, Mr. Pergola, the bearded man with the terrifyingly cold eyes, was devouring the voluptuous figure of Leah Cross. Besides her lovely face, which was innocent and sweet with a charming dimpled grin and large expressive eyes, her hips were the most notable feature of her shape. They were broad and gracefully curved, creating a wonderfully full bottom. Each globe was thick, especially at the base, and there was plenty of meat there for smacking. It seemed to her that Mr. Pergola was licking his lips in anticipation as he patted his lap.

# *Twelve of the Best*

*A superlative collection of  
the Flogmaster's best erotic spanking stories*

## **VOLUME NINETY ("SCHOOLGIRL")**

*This collection of the Flogmaster's best writing  
contains stories dealing primarily with the  
corporal punishment and discipline of minors  
(usually female) by adults or peers, though  
some stories may contain sexual activities.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# The Cute One

**(★★★★★, M/f—Severe, non- and consensual spanking, caning)**

An evil headmaster canes a girl because she's cute. (Approximately 1,491 words.)

**T**he Head caught her alone in the corridor. She froze like a deer in a hunter's scope, torn between panic and indecision. He marched toward her with an eagerness that promised doom.

Sam was a cute girl. She was a pretty little pixie with golden brown curls, a high forehead, and wide, expressive eyes. It was that sweet face the man loved to see in exquisite torment, for there was nothing better than a beautiful girl writhing in anguish.

"You are looking lovely today," the man said cordially.

"Uh, thank you, sir," Sam responded, wondering what

she should do. The bell would ring soon and she'd be late for chemistry, but wouldn't it be rude to just run away from the Head?

"Is everything going well?"

"Yes, sir. Although... I'm late for science." Sam took a half step to her right, her head gesturing in that direction.

"Late!" cried the Head, his voice full of concern. "You know the penalty for being late, don't you?"

How could she not? Sam had been in his office half a dozen times this term for tardiness. "Of course, sir. That's why I need to go!"

"But how can you be late? The bell hasn't rung yet."

"I meant I *will* be late, not that I'm already late," Sam explained. She took another half-step, her heart pounding.

"Now just a minute," said the Head sternly. "You specifically told me you were late. So that was a lie?"

"No sir. I... misspoke, that's all."

"That's a strange error to make. You're either late or you're not. To say you were late when you weren't almost makes it seem as if you were planning on being late."

"I was just worried I *might* be late," said Sam, sweating. "The possibility filled my head and made me misspeak."

"Are you sure it wasn't your subconscious? Perhaps deep down you knew you deserve punishment for being late even if you weren't technically tardy yet?"

Sam frowned, her frantic mind trying to following the bewildering thread of the conversation and not

succeeding. “Uh...” she said. “I don’t think so—”

*Briiingg!*

The bell jangled and Sam’s heart leaped into her throat. Her sparkling smile faded. She stared at the Head in horror, his grin as hungry as a shark’s.

“It’s a moot point now,” he said solemnly. “Because that was the final bell. Now you are officially late. Come with me.”

*But I was only late because I was talking with you!* thought Sam, furious. But she didn’t dare complain out loud. Instead she bowed her head and followed reluctantly. Behind, her round little bottom bobbed and trembled, knowing what terrible fate awaited it.

In the familiar office she felt the equally familiar trepidations of fear. This was an awful place, an unpleasant room of rigid formality and keen suffering. Yet for reasons she didn’t completely understand, she kept returning here. It was like she was cursed. She wasn’t *that* bad of a girl, was she?

“You know the drill,” the Head said. “Skirt and knickers off. Wait in the corner until I’m ready to deal with you.”

Sam shivered. The last hope that she might escape a caning vanished. In its place was a faint new hope that it might not be too severe. Three or four strokes was probably asking too much, since the Head rarely gave less than six. Six seemed like a lot for a few seconds of tardiness, especially when he’d caused it, however, so Sam continued to pray she’d get off with just a warning

three.

She unwrapped her skirt and slipped it down, placing it neatly on a nearby chair. She felt exposed in just her knickers, the fabric skimpy, but she knew they had to come off, too. It was so embarrassing, but she'd argued once and gotten three extra strokes, so she knew she just had to do what the Head said. The knickers slid down her legs to her ankles and she stepped out of them. Then she bent to pick them up and move them.

The Head watched this with an impassive expression, maintaining his role as unbiased justice. But inside he was smiling widely. Sam was small, but exquisitely shaped. Her little bum was just perfect, silky and round, with firm flesh tautly stretched across her jutting cheeks. Her smooth bottom was unblemished, itching for fresh pink lines from a lean, whippy cane.

But first it needed some color. The skin was far too pale and the Head knew that the cane stung even more ferociously on freshly reddened buttocks. He just needed an excuse to spank her.

"Before I cane you for tardiness," he said smoothly, "I'll need to smack your bottom—just a little—for that lie you told earlier."

He sat and smoothed his lap, eyeing her expectantly. Sam appeared reluctant to put her bottom in such a precarious position. She hesitated, and then whined, "But I didn't—"

"You said you were late when you were not. I don't see how that can be anything but a lie. Upon reflection,

perhaps this should be a *proper* smack bottom after all.”

“Oh no, sir! You said just a little spanking.”

Desperately, Sam threw herself across his legs as though diving for a reward. He smiled, admiring the shapely cheeks upended before him, in the perfect spanking pose. Each mound was so round and plump, with a sexy crevice between them, the shadowy gap widening and shrinking as the girl wiggled. He could see all her secrets from here and he had full control over her. His palm gripped a hind and squeezed, enjoying the solid, meaty feel.

She said nothing as he began to spank her bottom. His hard hand rose and fell briskly, and he didn't spare her. Each slap was devastating, sharp and cruel, producing much quivering and jiggling of the jelly-like mounds. The pale flesh quickly went pink, and where the spanks overlapped as he moved his palm around, the skin took on a burnt orange glow.

Grinning with delight, the headmaster belabored the teen's bottom for much longer than the “little” spanking he'd promised. He couldn't resist, once he had such a luscious bum in his possession. This actually cost him, as he was so enthralled he didn't notice his hand throbbing until he'd injured it, the fingers aching and his palm sore. He realized then he should have used a slipper or wooden paddle, but it was too late for that.

Irritated, he stood the girl on her feet and fetched his cane. Gripping the slender wand was difficult with his stiff fingers, but he knew he'd manage. Sam touched her

toes obediently before him, her now-red bottom a neat ball waiting for the lashing cane.

*Swish... crack!*

“Ow!” yelped Sam, jerking her hips left and right as the sting shot through her. Across her crimson cheeks was a white streak, as vivid as a chalk line. It quickly swelled and turned ruby, the mark darkening as it developed into a painful weal.

The next stroke was even harder—*Swish... CRACK!*—and just below the curved bulb of the butt. Sam gasped, writhed, and panted heavily.

The Head ignored her pained reactions and concentrated on enjoying the shivering of her cute bum. She was such an angel, a pleasure to cane. She felt every lash keenly, but took her beating stoically, never getting out of position. He thrashed her soundly, stroke after stroke, painting a dozen lines on that sweet little arse before he remembered she’d only been a few seconds tardy.

“Those additional strokes were for being so cheeky,” he snarled, hoping his mean demeanor would keep her from reporting the incident. “And because I’ve had to beat you for being late so many times already this term.”

“Yes sir. Sorry, sir,” said Sam meekly, sniffing as her hands sought out her fiery bottom. She fingered the raised weals and palmed the cheeks, massaging them. He let that off because he was so relieved by her cooperation and because she looked so cute doing it.

“Get dressed and go to class!”

Sam was gone in seconds, rushing from the room almost before her knickers were covering her sore bottom. She was well down the hall before she began smiling. She couldn't believe her plan had worked out so well. Men were such fools.
