# Random Praise for the Flogmaster's Writing

*Thank you, Flogmaster, for this short but lovely story. I've always been fascinated by spanking machines stories.*

**CHM**

*Wow. He was surprisingly forgiving. I, too, wonder what happened with Andrew. Well done story that makes me think.*

**R.S.R.**

*Well, I guess that good old Mom finally had it with these two sisters. A bit unfair that big sister got the brunt of it, but then again little Lucy did get what she deserved. Finally some insight, so hopefully they will stay friends from now on. The final comment made me smile; that Lucy after all could see the positive side of it.*

**G.L.A.**

*I was quite moved by a lot of this story. A favourite.*

**S.M.**

*Wow!*

**B.O.**

*Love the mysterious nature of this one. Very yummy.*

**L.A.**

*Funny little tale.*

**C.M.**

## **Selected Excerpts**

### **From *Dilemma*:**

She felt the hard rod tap her bottom. The flesh jiggled slightly and Angela wondered if she were crazy. This was going to hurt. Her father was older and retired now, but still reasonably healthy and quite strong. She figured he could still cane as severely as he had when she was a teenager, the penetrating strokes absolute agony.

There was an ominous whoosh. Angela didn't even hear the snap as the rattan caught her ass. She felt it, a sharp stab of sting that took her breath away. Pain ate into her bottom. She gasped. Tears stung her eyes. She couldn't believe she was being beaten at age 40.

### **From *Reno Girl*:**

Her meaning was clear. I had her permission. I didn't know how hard a whipping she wanted, but she was getting one. I raised the belt and brought it down across those twin cheeks with a crack like thunder.

Even through jeans it had to have stung. I saw Tammy flinch. Her head went down, then up. Her pony tail shook from side to side. But she didn't move, didn't run away. I whipped her again.

### **From *The Bone Brush*:**

Taking the hairbrush in his hand Tim felt a sense of empowerment. It was like a king's scepter or a magician's wand. The brush gave him authority. The grip was just right, shaped to his fingers, and the heft of the thing made it substantial, a powerful implement.

Putting on a stern expression, he frowned at his pretty, petite wife. "You've been a naughty girl, Kelly. I'm going to have to spank you."

corporal punishment of adults (mostly female),  
sometimes non-consensual, and some stories  
may contain sexual activities.*

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Painful Trail

**(★★★★, M/F—Severe, non-consensual spanking, paddling, strapping, switching)**

A voluptuous cowgirl returns home to work with her strict dad.  
(Approximately 3,652 words.)

**J**im was glad to have his daughter back. Brenda had spent the past two years with her mother, his ex-wife, and he'd worried she might have taken a liking to the city life. Thankfully, she was a cowgirl all the way. Though life on the trail was hard, it was also rewarding in ways civilization could never match. City folk like his ex, Cindy, could never understand that.

He clicked his tongue and the train of mules followed.

He checked the sun to gauge the time and urged his horse to go a little faster. He wanted to be at the campsite before dark. A glance over his shoulder showed the pack animals following steadily. Brenda was at the tail, sitting tall in her saddle and riding easily.

The man couldn't help smiling at the sight. Brenda always looked so comfortable on a horse. She was 23 now, and all womanly curves, but there wasn't a better rider in three counties. Even on this awkward, tiny path, more stones than trail, her horse twisting and jerking as he wound his way through, she looked as calm as if she were sitting on a cloud.

For a while he'd been worried she'd have lost all her skills while in the city, but such mastery didn't die. In many ways she was still the same ornery girl of old, just in a more grownup package. No doubt she'd picked up a few bad habits he'd have to paddle out of her, but he was sure glad she'd rejoined the business. He was getting old and he'd love for her to take it over when he was gone.

His thoughts drifted to finances for a time. Things were going well and he wasn't too worried, but this was the busy season. They had more work than they could handle right now. He really needed Brenda to be able to start taking her own runs into the mountains, but it was too early for that. After two years away she was bound to be rusty. In a few weeks, hopefully, she'd be ready.

When they reached the top of a bluff, Jim held up a hand for a halt. He swung off his horse and let him feed on a patch of grass. Then he strode back to check the

packs. With such a steep climb and steeper descent, the bags often shifted and became uneven, which caused all sorts of problems and could even make a mule go off track. Many years ago he'd had one actually slip off into a ravine, all because he hadn't taken the time to level the bags.

There were only minor adjustments this time, which was good. He took a moment to smile at Brenda and then take in the view. They were at around 6,000 feet, he figured, with a valley far below. The craggy mountains, still with some snow, rose up ahead. It was breathtaking scenery and he couldn't imagine any other life. Hauling cargo for hikers and campers to the most remote places wasn't for everyone, but he loved it.

Brenda hopped off her horse and stretched. In terms of outfit, she looked like a cowboy—Wrangler jeans, a plaid shirt, and a wide-brimmed hat. Under all that was clearly woman, however, with full jutting breasts, a pinched waist, and wide, flaring hips. Her bottom was large and round and looked like it was having trouble fitting into the tight jeans.

“No time to dawdle,” Jim said gruffly. “We'd better get a move on if we want to reach camp before dark.”

“What's the rush, Dad? The mules can use a break.” She took a long swig from her canteen. “You scared of the dark?”

Jim grunted. He was a safety freak and knew how dangerous these mountains were for the unprepared. Setting up camp in the dark posed all sorts of problems

and created unnecessary risk. Brenda was too young and naive to understand. Like most kids, she thought she was invincible. It was a lesson he worried she was going to learn the hard way.

“Stop arguing and let’s get going.” Jim mounted his horse in one easy leap.

“Jeez,” muttered Brenda. “What’s the fucking hurry?”

She knew her comment was a mistake the moment she’d said it. Her eyes closed in a wince for a second, as she regretted her outburst, but when she opened them she saw her father was off his horse and striding to the last mule and she knew her goose was cooked. No amount of words would stop him now. His expression was grim and as determined as a blizzard.

For a few seconds Brenda was 15 again, riding this wilderness with her dad, and disobeying his instructions. Her mistakes had always cost her a sore bottom. She’d thought maybe now that she was a grownup of 23 such discipline would be behind her, but clearly that wasn’t the case. Her father went straight for the rifle scabbard hanging on the last mule, only this one didn’t carry a gun. Instead there was a three-inch wide slab of wood nearly two feet long and half an inch thick. He drew it out like a sword. Her heart dropped to see the familiar paddle.

“You know what to do,” Jim said sternly.

Brenda gulped. She knew what she’d done in the past, but it had been years. Did he really expect her to bare her ass and bend over for a spanking at age 23?

“I thought we were in a hurry,” she said, and instantly

regretted it when she saw the flash of anger in his eyes. To appease him, she quickly put her hands flat on a nearby rock. It was low enough so she really had to bend over, offering up her jean-clad butt. She was uncomfortably aware of how broad a target she was presenting, but hoped it was enough cooperation he'd show mercy.

*Whap!*

Sting shot right through her snug jeans as though they weren't there. Brenda yelped. Her hips swiveled and she danced. She was shocked at how much the board hurt. She hadn't forgotten, exactly, but it had been a while.

*Whomp! Smack! Crack!*

Brenda gasped and moaned. Her butt seethed. Tears pricked her eyes as the tingling burn spread across her haunches.

*At least Daddy didn't make me take down my jeans,* she thought gratefully.

Still, the paddle hurt a lot even through the denim. Brenda braced herself. She gritted as the paddle stung her butt repeatedly. She tried to keep count. She was hoping it would just be ten, but that came and went, and then 12 did as well. That was a lot more than usual for a trail spanking, but then she was 23 now.

Thankfully, he stopped after the 15th lick. Brenda stayed in position, panting, tears leaking from her eyes. Her ass felt thoroughly toasted.

"You learn something?" grunted Jim.

"Yes sir. Sorry, sir."

“Good. Now get on your horse and let’s get moving. I don’t have time to spank you properly now, so hopefully that will tide you over until after supper.”

Chills went through the young lady, which felt weird as her backside was so hot. Had her dad meant what she thought he meant? Was he going to spank her again once they were settled at camp?

She eased herself onto her saddle, the leather shape hard against her freshly tenderized bottom. The whole rest of the ride she could do little but worry about another spanking coming. She paid no attention to the scenic scenery, the trudging mules with their heavy loads, or where she was going. Her horse concentrated on the path for her, which was good. Brenda just sat gingerly and dreaded the future.

The miles slowly drifted by as the sun seemed to speed toward the horizon. By the time they reached the place where Jim wanted to spend the night, it was already dusk. For a time, Brenda was so busy watering and feeding the horses and mules, building a fire, and helping her dad set up the tent, that she managed to forget about the spanking. She cooked some rice in a pot and some steak in the fire. It was when she was serving it on metal plates that she started to get nervous.

They finished the meal and she washed up in the creek nearby. When she got back to camp she found her father seated on a log waiting, a thick leather strap in his hand.

“No time like the present,” he said. “There’s no rush

now.”

“Oh Daddy, please! You already spanked me and I said I was sorry.”

“You also didn’t bare your bottom when I ordered and you know a spanking doesn’t count if it’s over clothing.”

Brenda’s stomach flipped. So the paddling had been for nothing. She’d thought she’d gotten away with keeping her jeans up, but now she was going to pay for that. She still couldn’t resist arguing, though.

“Please, Daddy, I’m 23 now. Is this really necessary?”

“Clearly your attitude needs work. Tomorrow morning we’ll try this again. Now, get those britches down and get over my lap.”
