I really enjoyed this story!

**DF9THIS WAS REALLY WELL DONE. THE CONFLICT
IN THE MIND OF THE VOYEUR WAS SPOT ON AS
WAS HER FEAR THAT IF SHE ASKED HER DAD, HE
WOULDN'T DO IT.**

Poor girl! Love all the teachers' rude names, though.

Selected Excerpts

From *Do As I Say, Not As I Do*

“Principal Gradford!” gasped Carey. The grown woman looked as flummoxed as a jock taking a math test. She blushed, stammered, and babbled irrationally. “There... it was nothing... I didn’t mean it. I mean... what did you hear, exactly?”

“Apparently I can’t swing a board and my spankings don’t hurt,” said Gradford.

“Oh, I never said— well, I didn’t mean—”

From *Grown Up Girl*:

“Oh, you mean that figuratively,” she said, sighing with relief. “For a second, I thought you were literally going to spank me!”

“That’s exactly what I’m going to do,” I said. I opened the lowest drawer on my desk and took out “Genuine Remorse,” the nickname for the school paddle. The maple slab was 12x20 and stained dark. It was about the same thickness as a pack of playing cards. Olivia stared at it in horror.

From *Relief by Proxy*:

The peach-colored blouse highlighted her large breasts nicely, as well as accentuating her narrow waist. She peeked over her shoulder at her ass, pleased with its round form. It was a bit pronounced for her taste, but the shape was splendid and the buns couldn’t be more firm. She was ready.

Mr. Faustino was waiting for her. She closed and locked the door behind her, smiling as she approached his desk. His grim frown was enough to show he was still playacting, pretending this was a genuine disciplinary session. That seemed a bit much, as no one could see them.

“Relax,” she said, giving him her best grin. “We’re safe now. I locked the door. No one will know.”

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME NINETY-TWO ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Chubby Little Ass

(★★★★, m/f—Intense, semi-consensual spanking, consensual anal sex)

A boy can't resist his girlfriend's cute bottom. (Approximately 1,151 words.)

He watched her get up out of bed, a slim petite figure of just 16, with gorgeous golden-brown hair and the innocent face of a goddess. Her pink tee was too short, exposing the smooth white skin of her lower back. Below that her thin pajama bottoms were barely held on by her slender hips and jutting bottom. They hung low, just above the crack of her ass, the gauzy fabric clinging to her tender skin.

His eyes dropped to that round bottom, the chubby cheeks bulging excitingly. It was a small butt, much smaller than he usually liked, but then everything about April was tiny and delicate. Her little nose was sharply pointed, her lips small, her eyes dots of blue. Even her tits were small, and he usually liked those large.

But there was something inspiring about the way April carried herself. She moved with grace, oblivious to how her body drove men wild. That cheeky ass mocked him as it wagged, each firm chub bouncing prettily. He couldn't resist it any more.

With April at the window, drawing the curtain to let in the morning light, he caught her. He grabbed the pants and it was just a gesture, hardly any effort, to send them toward her ankles. *They were practically falling off anyway*, he thought.

As these were her sleepwear, she wore nothing underneath. Her snowy buttocks curved gracefully outward. The skin was flawless, smooth and shiny, the split between the mounds deep and dark.

April blushed hard, frozen in a quandary as to what to do next. Did she cover up or accept her fate? In her undecided state, her chubby little ass quivered and called to him. He could do little to resist. He had to attack.

There was a wooden ruler on her desk nearby. He snatched up the flat stick and quickly applied it the saucy bare ass. *Crack!*

A narrow pink imprint the shape of a bookmark appeared on that fair skin, which jiggled as the teen coped

with the sting. *Crack! Crack!* Two more raps wobbled the cheeks and stung her so intensely that she yelped and gave a long girlish squeal.

“Quiet!” he hissed. “You’ll wake everyone!”

April froze, her bottom in mid-bounce. The orbs hung there, the three stripes glowing. He couldn’t take it and had to smack her some more. *Crack! Crack! Crack! Crack!* The ruler rang out the sound and the girl gasped and swallowed her cries, moaning with a hand over her mouth. Tears glistened in her eyes, sparkling like diamond as she glanced over her shoulder at him, silently pleading for mercy.

But she was still half-naked, her chubby little ass quivering with anticipation. The pink lines weren’t properly red and there was no way he could stop before she’d been properly spanked. He attacked, putting a hand against the small of her back to steady her, his right hand swinging with flat of the ruler across one cheek and then the other. The bulges indented, rebounded, and shook with pain as the implement stung. April’s eyes widened and the liquid poured from them, flowing down her perfect face. She wept.

Somehow she managed to keep quiet even as a bonfire erupted across her buttocks. Her flesh sizzled with agony, but she gritted her teeth and didn’t scream. If she hadn’t been so preoccupied with the enduring the pain she might have wondered why her cries would wake the building but the deafening smacks of the ruler wouldn’t. She might also have noticed the sun streaming in from

outside indicated it was closer to noon than morning, but she was too distraught to notice such details. She could only sob and ride out the terrific spanking, only later realizing her errors.

Eventually her sweet peaches were painted scarlet and the boy was satisfied. He drew her to him, impaling her from behind with his other weapon, as was his preferred method for avoiding pregnancy. The feeling of invasion was all-encompassing and not particularly pleasant for the girl, but it was less painful than the spanking and in her situation it felt like heaven.

She moaned, writhing on his eager impaling, half-glad it was over so quickly, half-wishing it would continue until she'd had her own satisfaction. But he was in charge, not her. That was the core of their relationship. So she bit her lip and resolved to pleasure herself later, when he was gone.

With a quick kiss to her sweet lips he slipped out the window, escaping the confines of her prison, while she fell back upon the bed and lost herself in a haze of deep fingering. It was always more incredible after a spanking. She didn't understand why, nor why her suffering aroused him so much. It was just reality. She couldn't question it any more than she could gravity or hot and cold.

Now she was left with a throbbing bottom, the skin inflamed with heat and soreness. She'd be tender for days, she knew. She'd have to be careful in the showers, lest someone see, but that was nothing new.

April finally rose, drew her thin pants up over her heated cheeks, and found the discarded ruler on the floor. She placed it back on the little study desk where it would be accessible for his next nighttime visit. She wondered if she dared to leave out the large walnut hairbrush she'd obtained a few weeks earlier. It was so thick it terrified her, yet she grew wet below when she thought of him spanking her with it.

*It would be a **real** spanking, she thought with a shiver. A long, hard, full punishment, not a little teasing with a ruler.*

The prospect thrilled her as much as it frightened her. It would hurt so much—yet maybe that's what she deserved. The terrible pain would make the later pleasure that much better, she knew. She could hardly wait.

A glance at the clock showed her it was noon. It was Saturday; there was no school. She listened and heard nothing. The other girls were all gone. Danica had her violin lessons. Michelle worked weekends. Missy was at the library, probably with her boyfriend, Hector.

Presumably no one had heard her spanking, not even Mrs. Gustaw, the woman who ran the home. Today was grocery day so she wouldn't be back until at least 1:30. That was good. Being caught with a boy would have been doom for April, not to mention her pretty little bottom. Mrs. Gustaw wielded a mean leather strop.

If she'd known that April was cavorting with her nephew, Tomas, she'd have whipped the girl nightly for a month. April knew she was playing with fire, but that was

half the fun!
