Selected Excerpts

From *Escape Mistake*:

“Since grounding clearly doesn’t work, you leave me with only one choice, young lady. We’re going back to spankings!”

Grace’s mind swirled with his new information. She realized now she’d made a terrible miscalculation. What had she been thinking? Her mom was right: if they couldn’t trust her to stay grounded, then what other punishment was left except for spankings?

From *Lavender Moons*:

“If I ever catch *any* of you looking at disgusting stuff like that ever again, you’d better believe that what you get today will be just the *start*. Do you get me? I’ll paddle you purple every night for a month!”

The miserable girls bowed their heads. Megan let out a tiny sob as she wept in fear.

“All three of you, strip below the waist. That’s right, shoes off, jeans off, and *panties* off. Hurry. Last one naked gets ten extra swats!”

From *Taken to the Headmaster*:

“Since this is a ‘home’ punishment and not related to the school, I am not limited to six strokes,” the headmaster told her. “I typically recommend three times the school dose. Does that sound fair?”

This last was directed at Connie’s mother, who agreed. “Yes, 18 strokes sound like just what this naughty girl needs.”

“No, Mum, you can’t!” shouted Connie, only to hear the awful whistle of the rattan and the sudden shock as her bare backside was divided by the rod.

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME NINETY-FOUR ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Classroom Spanking Train

(★★★★, M/f14m12, F/f—Severe, non-consensual paddling, spanking)

A good girl is spanked when her entire classroom is punished.
(Approximately 4,245 words.)

Allegra had always liked Mr. Tamora, her math teacher. Most of the school didn't, both because they hated math and because he was so horribly strict. Westview had a policy of corporal punishment and Mr. Tamora wasn't afraid to use it.

She'd heard horror stories of tantrums and cruelties, but other than witnessing routine classroom paddlings to

idiots who fully deserved it, Allegra had never seen the man's bad side. She, of course, was well-behaved and beyond reproach. She was proud of the fact that she'd never been spanked at school.

That record was partially because she genuinely was a good girl, but also because her parents had promised her further spankings at home if she were spanked at school. Allegra was 16 now, nearly a grown woman, and the humiliation of such a childish correction was more than she could stand.

Then one day everything went wrong. Several of the jocks decided to disrupt the class, hooting every time Mr. Tamora turned his back, pinching girls to make them yelp, and play keep-away with the belongings of other students.

The math teacher tried to figure out who was causing the commotion, but every time he faced the class, the room was calm. This put him on edge and he couldn't focus. He started messing up basic math in his examples, which embarrassed him beyond words. He blushed and grew angry.

Finally he exploded. "That's it! I've had enough. The guilty party has ten seconds to confess, or I'm spanking the entire class!"

There was dead silence. None of the jocks moved, even with the glares of several others. As the seconds ticked by, Allegra felt a bead of sweat trickle from her brow. She looked at the boys in astonishment that none were willing to admit their guilt. She wondered if she

ought to tattle, but she'd done that once in sixth grade and the mocking she'd received had lasted for years. Some kids still teased her about it.

Then it was too late. Mr. Tamora slammed down his fist on his desk and opened his drawer for the paddle. It was a solid slab of oak more than a foot long and it looked terrifying to the good girl. She watched in disbelief as the man ordered everyone up out of their desks.

Slowly everyone got to their feet. There were worried expressions everywhere, but no one tattled on the jocks, who still didn't confess. Allegra got in line with the others, too stunned to believe she was actually going to be spanked.

This can't be happening, she thought. I'm dreaming. It's a nightmare and I'll wake up.

"Ow!" she yelped as a boy behind her, one of the nasty jocks, helpfully pinched her butt to prove she wasn't asleep. Allegra glared daggers at him, which he ignored, looking away and feigning innocence.

She didn't have a chance to confront him further for there was action at the front of the room. All the students were getting down on their hands and knees. Allegra followed, baffled as to what was happening.

Then she saw the first student, a small girl, crawling through the legs of Mr. Tamora, who stood with his feet wide apart and the paddle held high above his head. As the girl passed, the paddle came down in a half-circle and collided with her rump. She yelled and scrambled away, but the teacher told her to not get up and to crawl to the

back of the line. Wincing, her butt no doubt burning, she obeyed.

Already the next student, a boy, was nervously making his way forward. The paddle boomed and the kid “ouched” and crawled away. A steady stream of teenage boys and girls made their way forward. As each crawled between the teacher’s legs he or she received a paddle swat on the tush.

A few boys acted like this was a fun adventure, joking and making light of the situation, though Allegra noticed their looks of humor mostly vanished after the spank.

Suddenly the girl in front of her moved, her jean-clad butt wagging as she crawled, and the paddle slammed into those juicy cheeks just two feet in front of Allegra. Horror filled her as she realized it was now her turn.

“But Mr. Tamora, I didn’t do anything,” she protested.

The teacher’s scowl was profound. “The whole class is getting spanked and if you don’t take yours right now, everyone will get another swat!”

Despair filled Allegra and she had no choice. She crawled. She had to duck her head low to avoid hitting the man and this thrust her bottom up high. She blushed to think of the view the boy behind her was getting. Her slacks were sleek and tight and pulled taut by her crawling, so every curve was highlighted.

But then an explosion of sting and sound filled her world and Allegra forgot all about the humiliation. All she could focus on was the pain. She howled and hurried away, wanting to reach back and rub her burning butt,

but she needed her hands on the floor to brace her.

She heard the *whack* as the brat behind her got his due. The girl before her moved and Allegra followed, her heart thumping. Wasn't this over yet? The room was filled with the steady thump of the board on butt after butt. Soon the whole class had taken a lick and the first girl tentatively crawled forward for her second spank.

Oh no! thought Allegra. *We're going through a second round.* The prospect of getting her butt whacked again was horrifying, though since she'd done it once it wasn't quite so terrifying. Still, it had hurt, and her butt was still throbbing.

All too soon the jeans in front her shook from the paddle's blow and then it was Allegra's turn again. She could hardly see through her tears as she inched forward, bracing herself for another devastating spank. The wood was so thick and solid it felt like she was getting hit by a two by four. The blow knocked her forward. Pain surged through her ass and she yelled.

On and on the train went, the kids crawling in a huge circle around the perimeter of the room. The paddle whacked and whacked. Allegra got her third spank and her butt felt like it might explode. The only positive was that the delay between swats gave her time to recover.

But then when the first girl arrived at Mr. Tamora's knees he told her to get up. Everyone's spanking was over. It had only been three licks, not a bad spanking, but the shame of crawling for it and the entire class being punished, was intense for Allegra. She was still blushing

and nursing her tingling bottom in her next class 30 minutes later.

That should have been the end of the matter, an experience the girl wanted to put behind her. By the time she got home after school, she was almost recovered. Her bottom only hurt when she sat down hard or squeezed her asscheek. She'd already begun to justify the trial and put a positive spin on it, deciding that at least she'd now experienced corporal punishment. She never wanted to be spanked again, but it was good to at least have the memory.

Then her mother came to scold her. She'd received an email from Mr. Tamora explaining how he'd had to spank the class because of constant disruptions and no guilty party admitting to the cause. Allegra's mom was furious, even when her daughter explained it was other kids and she had nothing to do with it.

"We told you what would happen if you got spanked at school," the mom said sternly. "Now let's go to my room. I've got an old wooden hairbrush with a date for your bottom!"

"What? But Mom, no!"

It was no use, however. Her mother's mind was set: the family believed in precision and by the letter of the law, Allegra was guilty. A minute later the teen found herself with her pants and panties down around her ankles while her bare bottom was sticking up in the air as she lay across her mother's lap.

The spanking was quick, just a couple of minutes, but

efficient. The wooden brush left every inch of Allegra's bottom hot pink. She'd thought the paddle at school was bad, but at least there'd been a break between swats. Here her mother rained down the smacks in a furious blur that gave the teen no chance to catch her breath and recover. It was two minutes of utter hell.

"That was just a taste," her mother said. "If you're ever spanked at school again, you'll get a proper spanking—a full five minutes over my lap."

Allegra sobbed in fear of such a horror and ran to her room to strip off her clothes and soothe her steaming bottom.

For a time the whole school was talking about the "spanking train" in Mr. Tamora's class. Even Allegra was asked about it by friends who knew she was there. She tried to shrug it off as insignificant, but wasn't convincing. She finally admitted to her bestie, Elise, that she'd also been spanked at home.

"Really? That's horrible. You didn't even do anything!"

"I know, right? So unfair."

The worst thing was the next day in Mr. Tamora's class he warned them all that if there was another such disruption incident he wouldn't hesitate to spank the whole class again.

"But it will be a proper spanking on the bare bottom, with underwear pulled down," he said sternly.

Allegra's mind whirled. While she'd seen a few naughtier kids spanked bare in front of class, it was rare. The concept of the entire train getting bare swats was

unimaginably awful.

The threat apparently worked, because there were no more incidents. A few individuals were paddled for whatever reason, but there was no more whole classroom punishments.

School news fades as quickly as it spreads and a week later the incident was forgotten. Allegra certainly wanted to forget it.

But one day she was at her locker rearranging things when she heard whispering from down the hall. It was boys talking and they weren't subtle. In the quiet of the corridor she heard them clearly. They were talking about Mr. Tamora's spanking train.

"That was so great," said one boy. "Totally worth the swats!"

"Yeah, three didn't even hurt."

"We've got to do it again."

"What? Seriously?"

"Come on, he said he'd paddle bare."

"Yes, exactly. *The whole class*. That means every girl crawling naked through the train!"
