## **Selected Excerpts**

### **From *A Little Whipping*:**

“As I said, you can’t escape without punishment. But a little whipping is better than life in prison or execution, isn’t it?”

Lia nodded. She’d seen whip marks on the backs and bottoms and legs of women in the showers. Some had been brutal, with raised lines of inky black that took weeks to heal. She’d been afraid that would happen to her and always treated the guards with caution.

“When does this happen?” she asked.

### **From *Daddy’s Girl*:**

Angie’s stomach tightened and her bottom clenched. She had a bad feeling about this. Her father always spanked hard. She’d dreaded his punishments all her life, but now that she was fully grown he *really* escalated her corrections. She’d gotten a speeding ticket when she was 19 and hadn’t sat properly for a week. She wondered if he recalled the past incident.

As if reading her mind, Carson said, “Clearly I didn’t spank you hard enough the last time this happened.” Angie’s heart raced and her eyes widened as she saw the foot-long bath brush, heavy leather strop, wooden paddle, *and* long nylon riding whip placed on his desk.

### **From *Leigh*:**

“A proper caning for a *schoolgirl* is six or eight, perhaps a dozen if she’s been especially naughty,” I continued. “But a grown woman like you is worth of two or three times that, at minimum. Possibly much more if she deserves it.”

“Oh no! Please, sir, I’ll be good. I’ve never had more than six. A dozen sounds absolutely horrid!”

Leigh looked so pretty pleading her case, my heart was moved. But not toward mercy. No, her beauty made me want to thrash her all the more severely. I wanted to put weals upon her weals, to really make her squeal and squirm.

the Flogmaster's best erotic spanking stories*

**VOLUME NINETY-FIVE  
("ADULT")**

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# A Little Whipping

**(★★★★★, F/F—Edgy, non-consensual all-body judicial whipping)**

An American girl gets caught smuggling in Eastern Europe.  
(Approximately 6,149 words.)

**L**ia was a fool. She knew that the minute the guard approached her. The money had seemed so easy. Just visit some obscure Eastern European country and return with a small package. That was it. Twenty grand for something so simple had been irresistible for the 19-year-old trying to pay for college on her own.

The reality had been so different. The country was strange, their language inscrutable, the customs weird. Men watched her with greedy eyes. She didn't know if she

should be flattered or terrified. She decided on the latter. She just wasn't used to such attention back in the States. Lia was a shy good girl, too heavy to be considered hot by Hollywood standards, though she wasn't unattractive. But she was young and had only had three boyfriends. These men were hard and looked like they wanted to do things to her.

Then she met her contact. Gary, in the States, had made it seem almost above board. He'd been vague on the details, though she'd known it had to be illegal, or else why would he need her to get the package? This local guy was a creep right out of central casting. Jocko was a thug and highly suspicious.

He made her strip fully nude to make sure she wasn't wearing a wire. She argued, but he slapped her so hard she fell to the ground. He had a gun, the barrel of which was huge and silvery, and pointed right at her. She thought, *He could shoot me dead and no one at home would even know what happened to me.* She decided to obey.

Once she was naked the guy took advantage of her. There was no rape, thank God, but he touched just about every part of her body. He squeezed her tits, caressed her back and ass, petted her thighs, and fondled her kitty.

"That's enough," she said, clamping her thighs together. She tried to act brave. He just laughed.

Then he showed her the package. It was small. Or at least she thought that until he told her where it was to go. Then it seemed *much* too big.

“Hell no!” she cried. “No one said anything about that. I thought it would just go in my suitcase.”

He shook his head. “Dogs find,” he said in rough English. He patted her pussy. “Must go here.”

Lia didn’t like the idea, but the gun was pointing at her, a dark O from which a deadly bullet could emerge if he squeezed his finger just a fraction. She had no choice.

*I can dump it in the toilet at the airport*, she told herself. There was no way she was flying all the way to New York with who-knew-what up her cunt.

She lay back and spread her legs and groaned as he shoved the package inside. He wasn’t gentle. It wasn’t erotic at all. She was dry as a bone and he made it fit. She recalled Gary saying she was “perfect” for the job. She’d thought he meant she didn’t stand out and wouldn’t draw too much attention to herself. Now she wondered if he’d selected her because of her plus size. No way a scrawny size zero would have contained the package.

Once she was dressed, she found she could walk, though it felt bizarre. She’d once read a dirty story about a woman who wore a butt plug to work all day and thought this felt vaguely like that, not that she’d ever tried to put anything up her butt.

Sadly, Jocko accompanied her to the airport. He didn’t just drop her off, either. He walked with her right to security. She was sweating. There was no chance to dump the package. She told Jocko she needed to pee, but he only shook his head. “Not now. Plane go soon.” She knew he was going to watch to make sure she boarded.

She had no choice but to obey.

Going through security was a nightmare. She was so afraid she could hardly breathe. Fortunately, the men seemed more interested in her bags than her. She somehow made it through unscathed. She grabbed her carryon and hurried to the gate. It was last call for her flight. Jocko had purposely brought her at the last minute so there was no time for her to change her mind. She had to trot. She could feel the package inside her. *What if it pops out?* she wondered.

Just as she reached the gate and showed her boarding pass, a woman in uniform approached. “We have to search you,” she said, waving toward a little tent to one side. Lia nearly passed out.

“But I’m late. I’ll miss my plane.”

“It won’t depart without you, but you must be searched.”

Lia wanted to flee, but instead she followed the woman. Hopefully the search would be as mild as the security checkpoint.

It wasn’t. The woman was thorough. She felt under Lia’s bra. She ran her hands down her waist and hips. She felt her bottom. Lia blushed as the hands traveled down her legs. Everything was fingered. But nothing was found. Lia started to breathe again.

That’s when the guard put on a fresh pair of gloves. “I need you to lower your underwear and turn around,” she said. “It will just take a moment. Then we are done.”

Lia couldn’t believe what was happening. Fingers

intruded into her rectum. They felt around. It was the creepiest feeling. She'd never felt so violated. But she didn't know what to do. She was in a foreign country with strange customs and different rules. Women weren't respected here. Lia didn't even know what rights she had, if any.

Then the fingers were exploring her other opening. Just as she felt a chill of fear at the realization of what was happening, the hand stopped. There was an obstruction. The guard frowned. She pushed Lia's legs wider and felt inside her. The package was grabbed and withdrawn. It fell onto the table, a wet sticky mess.

The guard's face was grim. She pressed a button and an alarm sounded. A red light flashed. Lia jerked up, but was sternly pushed down, a hand at the back of her neck. Instantly the room was filled with more guards. Two men had guns drawn. Lia peed herself in terror.

---

She was dragged away in cuffs like a criminal. There was a short ride in a police car. Then she was in an old government building, miles of corridors, and finally a small interview room. A stern bald man with a briefcase sat across from her. Lia was chained to the metal desk by wrist and ankle. It was overkill and felt ridiculous. She cried some more.

The man spoke in a dark guttural language. A woman behind him translated. "You are in deep shit," she said.

“Smuggling drugs is life in prison here. You could be executed, but if you give us the names of your conspirators perhaps the judge will have mercy.”

Lia was flabbergasted. “Life in prison? Death? All I did was bring a package. I didn’t know what was in it.”

“That doesn’t matter. You broke the law. Laws are strict here. You will spend the rest of your life in prison.”

At first all she could do was weep. Finally she told them everything she knew. Jocko, her local contact, and Gary, the guy in Kansas City who’d set her up for this job. She didn’t know last names and the phone numbers she had were burners. It was useless, the man told her. “You will be executed.”

“Please! Call the U.S. Embassy,” she begged.

“There is nothing they can do. You are not on American soil. Even Americans have to follow our laws when here. You will be hanged.”

They took her to prison after that. She was delirious. She barely remembered undressing, the enforced shower, and the pointless strip search even more invasive and impersonal than the one at the airport. She was given gray rags to wear and thrown in a cell with other females. The walls were stained with ancient feces and the place smelled terrible. Lia wanted to die.

Days passed. She was beaten up twice. There was a large woman who took Lia’s meager allocation of food. Lia scarcely cared. She had no appetite and the gray stuff was foul anyway. Every day she asked the guards what was happening, or begged them to call the Embassy. They

only laughed or ignore her. One shoved her so hard she fell on her ass and nearly cracked her head on the cinder block wall. She stopped asking after that, especially when she saw a male guard beating a woman inmate's ass with a long thin stick.

Three times she was taken back to the police station and interrogated. She could tell them nothing more than she knew. They were disappointed and she was told her execution would be in a month. She could barely sleep at night. They wouldn't let her contact anyone, not even her family in the States. On Gary's orders, she'd told no one where she was going. She'd been a fool, she realized. Just because Gary had a nice office, a fancy suit, and looked legit, she'd trusted him. She was an idiot.

She had no idea of the date. Weeks passed. She knew her execution was coming soon. She was terrified. No one would tell her anything. Then one day she was taken from her cell to a small room. "Visitor," she was told, but they wouldn't say who. She couldn't imagine who it could be.

The man was American, tall and good-looking, with a kind, reassuring face. "I'm an attorney affiliated with the U.S. Embassy," he said. "I'm here to get you out."

"Oh thank God!"

"Don't worry. Everything will be fine. I've made arrangements to get you home."

"Seriously? They aren't going to execute me? They said life in prison was the *best* I could hope for."

"You're a first-time offender. You can't get off without punishment, but it'll be minor compared to the death

penalty.” The man slid over some complex legal documents. “You just need to sign here.”

“What is this?” She stared at the paperwork. It was in the local language, which she didn’t know.

“It’s your admittance of guilt. Your confession, if you will. It details the terms of your release.”

“But I can’t read it!”

“It just says you confess to smuggling drugs, that you won’t ever come here again on penalty of incarceration, and that you’ll be given a little whipping prior to your release.”

“A whipping!”

“As I said, you can’t escape without punishment. But a whipping is better than life in prison or execution, isn’t it?”

Lia nodded. She’d seen whip marks on the backs and bottoms and legs of women in the showers. Some had been brutal, with raised lines of inky black that took weeks to heal. She’d been afraid that would happen to her and always treated the guards with caution.
