Random Praise for the Flogmaster's Writing

Seems that the concubine's life is going to be a difficult one in this household. I'd have been tempted to include her in a threesome after her punishment though.

B.O.M.

Jill will obviously be very happy here!

RN

Love it. Love it. Sometimes we like to get what we can't ask for, and don't know we want. I do not enjoy stories where the spanker "forces" his way because he "knows she will like it." This cuts the balance nicely.

L.A.

Wow, she really did have a bad day. But she brought it all on herself. In this case corporal punishment doesn't seem to be working, but I still like the story.

B.Y.J.

Love these short stories. Very well done.

J.D.

Love sorority stories; even short ones.

G.B.B.

Lovely; the title intrigued me, and I wasn't disappointed.

O.B.

Selected Excerpts

From *Again*:

He gave her eight licks. They were all pretty good ones, hard into the roundness of her full bottom, though a few had hit more on her left or right cheek blunting some of the impact. She walked out of the office with her butt and eyes burning, but mainly she was pissed that she'd gotten punished at all. It was so unfair.

Even dumber, Principal Dwyer would no doubt call her parents and she'd get a spanking at home. That wouldn't be just eight swats, either. She wasn't too worried—she had a decade of regular spankings in her past and could handle it—but she resented the process. She was 16 now and much too old for this shit, to quote a line from a classic movie.

From *Classroom Maintenance*:

“I always start the first day of a new class with spankings for everyone.”

Ros heard a ringing in her ears as though someone had gonged her. She thought she must have heard wrong. Did Mrs. Swensen say she was going to spank *everyone*? She looked over at Jen and saw the brunette looked wide-eyed and terrified. Mandy seemed... curious. Around the room, kids were whispering and there were shocked gasps everywhere.

“Quiet, class. You heard what I said. This is equal opportunity: *everyone* gets spanked today. Good girls and bad girls, bad boys and good boys.”

From *Teacher's Pest*:

Miss Bradley was holding her classroom paddle, a stout slab of three-eighths-inch thick pine. She lined it up across the teen's rounded buttocks and saw the height of the board barely covered half the girl's bum. For most pupils, it dwarfed the butt.

The first blow smashed into the bare seat with a bang. Amanda cried out.

The FLOGMASTER Presents

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME NINETY-SIX ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

A Matter of Perspective

(★★★★★, M/Ff—Severe, non-consensual stropping)

When a modern day mother struggles to get her rebellious daughter to take a spanking, the two are suddenly in the distant past watching how discipline was handled in the Old West. After that, a hairbrush spanking doesn't seem so bad! (Approximately 2,616 words.)

Mandy was a slender blond of 14, with hints of the woman she'd be showing through. She stood at the window, scowling, her arms folded in front of her modest breasts. She wore fashionable blue jeans, tight across her small round bottom.

It was this target that her mother was eyeing, the stern wooden hairbrush in her hand. Her own behind was

similarly shaped, but much larger, the firm bulb shaping the seat of her own denim jeans. Melissa was thinking back to the time when she was her daughter's age and had to go over her mother's lap for spankings.

The brat has no idea how good she's got it, Melissa thought. Mom spanked me bare for 15 minutes and it didn't matter who was watching.

She missed her mother, who had sadly passed much too young. She wished she had her mother's willpower. Melissa was just too tender-hearted to spank her daughter properly, even when she was miffed with her.

"Come on, Mandy. You know you deserve this."

"No I don't! No one does. Spanking is outdated. It's barbaric. No one does it any more. I'm way too old."

"You'd rather be grounded and miss the school dance?"

From the crushed expression on the pretty teen's face, clearly she didn't like that option any more than lowering her pants for a paddling.

"It's not fair. You spank *way* too hard. You've no idea how much it hurts."

Melissa wanted to laugh. "Honey, I know you're young and think you know everything, but I was your age once."

"A million years ago!"

"I got my fair share of spankings, and believe me, Grandma spanked me ten times worse than what I do you."

Mandy gave her mom a look and rolled her eyes expertly. If petulance had been an Olympic sport, she'd

have won the gold.

Her mother sighed, wishing she had a better way of communicating with her daughter. She realized now that she'd been too soft on her growing up and was now paying the price. Mandy was spoiled. She had no knowledge of history. She was sitting in a home with a well-stocked pantry and a full fridge complaining she was starving.

Please, Lord, Melissa prayed. Help me show my daughter the truth.

There had been a lot of prayers in Melissa's 34 years, and a few had been answered, but never instantaneously. She'd barely gotten the thought out when the room around them vanished. For a second she was terrified and cried out for Mandy. Then she saw her daughter was right there with her looking just as bewildered.

They were on a plain in the middle of nowhere. There was a farmhouse and a barn a few hundred yards away, but everything looked rustic and old, like a TV set from a Western. There were cows in the field and horses in a corral. The road was a dusty brown track. A crude wooden fence marked the edge of the property, with barbed wire strung between hand-hewed posts.

"What the hell?" shouted Mandy. "Where are we? What did you do?"

"I... I don't know," Melissa said, stepping closer to her daughter. "Though this... maybe we *are* in Kansas."

The teenager didn't get the old movie reference, glaring around the area with undisguised fury. As far as

they could see there was nothing but plains and a few trees. The farmhouse was the only human thing around, and both started moving in that direction without even thinking about it.

The gate, if you could call it that, was open. A wooden board was mounted across the entrance, attached to tall poles on either side. Someone had burned letters into the board with a name: McCarthy.

Melissa gasped. An eerie tingle went down her spine. Her great-great grandfather was a McCarthy. He'd lived in a Kansas on a farm with his wife and daughter, Melissa's great-grandmother. What had been her name? She couldn't remember, but had been told she looked a lot like her. She'd been blond, though the shade hadn't been detectable in the ancient daguerreotype Melissa had seen.

"Nellie!" she said.

"What?" asked Mandy.

"My great-grandmother. Her name was Nellie McCarthy before she got married."

Mandy looked at her mom like she was crazy. "You think this is her place or something?" She waved a hand at the farm. "It's a shithole. I bet it's not worth ten bucks!"

"Mandy! Don't talk like that."

But, as usual, her daughter was ignoring her. She had her phone out and was slapping it angrily. "What the fuck? It's busted. The battery's dead. I just charged it!"

"There's probably not service out here anyway. I don't even see any telephone wires."

“So we can’t even call for help? Do you think whoever lives here has a car?”

Melissa was getting a funny feeling. “If they do, I don’t think it’s a car the way we think of a car.”

“What does that mean?”

The woman pointed. Out in front of the barn was parked a horse-drawn buggy. It looked well-worn, and the dust on it was fresh from recent use. It was not a museum piece or collector’s item.

“Seriously?” gasped Mandy. “Where the fuck are we? Have we gone back to the Dark Ages?”

“Not quite. I’d guess this is the mid- to late 1800s.”

“Oh come on!”

They’d been walking toward the house and now were within 100 yards. They were close enough to see that the place wasn’t at all modern. It was what today we’d call “off-grid,” except it didn’t have solar panels or any other comforts. Melissa spotted what was clearly an outhouse behind the main building.

At that moment, someone came out of the house. Two someones, and then a third. The first was a teenage girl in a black and white dress about Mandy’s age. She looked just like her, slim and blond, though her hair was done in pigtails and she wore a white bonnet on her head.

Behind her strode a woman, a bit taller, definitely fuller, in a worn brown dress. She was a mirror of the daughter, with the same lovely golden hair, and looked remarkably like Melissa. Both the females looked somber, almost ashamed.

The man was tall and lean, his hair short and dark, his beard so thick it was as though he'd never heard of a razor. His clothes were dark and rough, and not particularly clean. His expression was grave, his irritation clear.
