# Random Praise for the Flogmaster's Writing

Flogmaster would write a sequel!*

**T.B.**

*Short, but nice and efficient. In the typical Flogmaster style.*

**93P**

*This is an extremely plausible and good story about a young  
girls introduction to spanking. It is well written and enjoyable.*

**GLM**

*I'll never view Peter Pan quite the same again. Now I'll always  
imagine Wendy with bottom bared. Perhaps surrounded by  
pirates?*

**B.Y.J.**

*I'd love to play this kind of game!*

**J.Z.**

*Oh, this was great, Flogmaster. Kind of not what I expected  
either. Lucky man. Lucky lady.*

**B.O.**

*For a genuine spanko, it would be a dream come true to have a  
career where mistakes meant posterior warming time. Much  
better than a pink slip.*

## **Selected Excerpts**

### **From *New Mother, Old Techniques*:**

If her mother had shown up right that second, hickory paddle in hand, and told her daughter to bare her butt and bend over, Sherri would have obeyed without a second thought. She'd have felt relief and gratitude, even, knowing her sins would be atoned.

Of course, it was silly imagining such a scenario. It was absurd. Sherri was 24, not 14, and her mother was 750 miles away.

### **From *Classroom Observation Day*:**

Even the teacher up front was nervous, stammering and second-guessing herself. When she told the children to turn to the wrong chapter and immediately corrected herself, she flashed a worried look in the direction of principal. Such a small thing, but the terror on her face was evident.

That's because the board Trumble wrote on was not a simple clipboard or stand. It was The Motivator, a two foot slab of ebony, one of the hardest woods on the planet. It was as black as a villain's soul and thicker than a boot heel. Just one swat with that plank hurt more than most entire spankings. Children, and teachers, were wisely wary of that paddle.

### **From *The Chaucer Dare*:**

Miss Sparrow had one of the most frequently beaten bums in the school. She was always up before the Head for something, smoking or ditching, and could hardly go a week in any of her classes without a taste of the slipper or classroom rod. Perhaps her bottom was so accustomed to thrashing she didn't mind it any more. It certainly was a prominent thing, bold and meaty, as wide as a doorway, with two ripe mounds like rounds of cheese.

This, indeed, was Abigail's secret weapon. She knew no man could resist her rear charms, if presented in the proper manner, and she had just the wicked plan to bring Griff to his senses.

## About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

***Paul Bunyan and the Great Lakes***

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

# New Mother, Old Techniques

**(★★★★★, F/F—Severe, semi-consensual paddling)**

A struggling young mother at her wit’s end, is surprised at the appearance of her own mom, who arrives to give her the familiar discipline she needs. (Approximately 2,242 words.)

**B**ecky was crying again. Sherri frowned, her irritation and exhaustion showing. “Would you shut up!” she yelled. Little Becky only cried harder.

“I need air,” Sherri said, and ran out the back door letting the screen door slam shut behind her. It sounded flimsy like a clap and didn’t give enough finality to her action. She wanted a big boom.

Growing up, the door to her bedroom had produced an excellent banging sound when shut. In her teen years

—not all that long ago, though it felt like forever—she'd thrown tantrums and had felt satisfaction slamming her door shut.

Of course, those incidents had inevitability been followed by her getting her ass whacked with her mom's hickory paddle. Tantrums hadn't been allowed in the Pope household. Usually Sherri had been too mad to care. She'd taken the swats with defiance and only later regretted her behavior when her butt was radioactive red and she was too sore to sit.

Now Sherri was 24 and long past paddling age. She almost missed it. She knew she deserved it. It wasn't Becky's fault she was being a pain. She was an innocent child, not yet two years old. It wasn't fair to expect her to act like an adult. Sherri was the one at fault and the one who needed spanking.

Being a new mother was hard. For the millionth time since she'd turned down Richard's proposal, she wondered if she'd made a mistake. Life would be so much easier with a partner. She and Richard hadn't been too bad together. They might have been able to make it work. Yet she still couldn't shake the idea that he'd only wanted to marry her because he'd gotten her pregnant, not because she was the One.

The young woman took a deep breath and let it out slowly. Now that she was out of earshot of the howling toddler, she could think again. She'd needed this break, even if was just a few seconds. Being able to think, however, made her realize how irresponsible she was

being. Leaving a little girl alone in a house, even for a few minutes, was a bad, bad thing. Sherri would never forgive herself if something happened to Becky.

Though it had been nearly eight years since Sherri had last gotten her rump tanned, it felt wrong to get away with her behavior without punishment. She'd shouted at her innocent kid, slammed a door, and left her child unattended. She deserved a major licking for all that. Maybe three of them.

But her mom was three states away—another stupid decision—and there was no hickory paddle to warm the naughty young lady's big behind.

*That's not technically true*, Sherri thought. She had the paddle. It was in her closet. She'd snagged it when she left home. She figured her mom didn't need it with her daughter gone. Taking it had been an impulse. She hadn't known why she'd done it. At the time she'd thought that maybe she'd burn it.

She hadn't, though. Why was that? Did the paddle bring back too many memories? Surely they weren't good ones. She'd hated that paddle as teen. Her mom had been brutal with it, spanking Sherri's bare ass for every little thing. Mom had never been gentle. Every swat had been as crisp as a late fall morning.

There were never any let-offs, either. Sherri couldn't remember talking her way out of a single spanking. The rules and consequences were clear and whenever Sherri broke a commandment, she was paddled. *Hard*.

She sighed again. This time her hand went behind to

rub her jean-clad behind. The cheeks were fuller now, sturdier than when she'd lived at home. If her mom were here she'd no doubt use that as an excuse for extra swats.

*Maybe a good old-fashioned spanking is what I need,* Sherri thought. *If nothing else, it'd be a distraction from the chaos that's become my life.*

While many would have felt deep horror at the thought of getting spanked like a child, Sherri had minimal worry. Her memories of her punishments weren't pleasant, but they represented a loving home. She'd never once gotten a spanking she hadn't deserved, or been punished too harshly. Her paddlings had been agonizing, yet she still regarded them with nostalgic appreciation.

If her mother had shown up right that second, hickory paddle in hand, and told her daughter to bare her butt and bend over, Sherri would have obeyed without a second thought. She'd have felt relief and gratitude, even, knowing her sins would be atoned.

Of course, it was silly imagining such a scenario. It was absurd. Sherri was 24, not 14, and her mother was 750 miles away. They barely talked. That had been Sherri's fault, initially. She'd wanted her freedom and was happy to escape a strict household full of rules and painful consequences. Recently things had thawed and Sherri was more open to a relationship, but it was hard with the distance and the young mom's busy schedule.

Shaking her head, Sherri opened the screen door and went back into the house. She still felt guilty about her

actions and her bottom, plump and round, tingled at being let off. She was so distracted by those strange feelings it took her a moment to realize that the house was quiet.

*Where's Becky?* she thought. *Why isn't she crying?*

She rushed into the living room, half-expecting to see it on fire or the front door wide open and her daughter gone. What she found was even more shocking. Standing there holding her granddaughter, was Evelyn Pope, Sherri's mother.

---

For a long moment, Sherri was completely confused. She thought she had to be imagining her mother's presence. After all, she'd just been thinking of her and now here she was, which was too much of a coincidence to be real. She knew her mother was hundreds of miles away—it made no sense for her to be here.

"Mom?" she finally said. "I don't understand. Is it really you? What are you doing here?"

"I'm here to see my granddaughter." Evelyn glared at Sherri. "If *you* want to avoid me, that's your prerogative, but I have the right to see my granddaughter."

"I... I wasn't trying to keep her from you. It's just you live so far away."

"Not any more. I sold the house and moved here."

"You what!"

"Why not? I'm retired. There's nothing more for me in

Tennessee. My life is here, with my daughter and granddaughter.”

Sherri didn’t know what to say. The whole thing was surreal. “You’re... here?”

“Just in time, too. Where on earth were you? Becky was crying and you were nowhere around.”

“I stepped outside—”

“You left a one-year-old alone? Do you know how dangerous that is?”

The guilt hit Sherri hard, but she wanted to argue, just because it was her mother pointing out her flaws. “It was just for a minute.”

“It was a lot longer than that. I’ve been here a quarter of an hour.”

Again Sherri wanted to argue, but when she looked over at the clock on the microwave, she saw it was true. She’d been outside for much longer than she’d thought. She must have zoned out.
