Selected Excerpts

From *Cindy Grows Up*:

Standing on the rug, their heads and panties down, stood Cindy's cousins, Katy and Maddy. Their bare bottoms were tremblingly presented toward Cindy, her Mom standing on the other side lecturing the girls on the evils of shoplifting and "corruption of a minor." Mom was holding the large bath brush.

Though the oldest at 17, Katy was short. She didn't have the girth of Maddy, so she looked slim in comparison, but her bottom was definitely not petite. It had a brilliant bubble shape, round and bulging, and seeing it naked and gleaming white was an ominous foretelling of its crimson future.

Next to her Maddy's rump was huge, broad and plump, but shapely. It wasn't as firm as her big sister's, but it wasn't Jell-O, either. While neither girl was an athlete and preferred Italian high heels to Nikes, both did yoga and Pilates to keep in shape. Maddy would never be slim, not with those hips, but she was gorgeous, with her pretty round face and large blue eyes.

From *Sheila Hates the Cane*:

Once the thick brush began burning Sheila's bottom she couldn't believe how much it stung. She gasped and writhed, wiggling like a kid needing to pee. She'd thought spankings didn't hurt anything like the cane, but maybe she was wrong. The cane was white-hot lines of fire, but dozens of hairbrush spansks ravaged more of her bum and left her cheeks sizzling.

From *Tomgirl*:

"Your attitude could certainly use some humility," Reverend Allen said. "Do you see that board hanging on the wall over there? Fetch it for me, will you? Keep those pants down—you won't be needing any covering for a while."

"Oh come on! Not again," groaned Petra, but she obediently waddled over to the rack and took down the large cypress paddle.

Twelve of the Best

*A superlative collection of
the Flogmaster's best erotic spanking stories*

VOLUME NINETY-EIGHT ("SCHOOLGIRL")

*This collection of the Flogmaster's best writing
contains stories dealing primarily with the
corporal punishment and discipline of minors
(usually female) by adults or peers, though
some stories may contain sexual activities.*

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Cindy Grows Up

(★★★★, F/fff—Severe, non-consensual bath brush spanking)

When a young teen's older cousins get her into shoplifting, the girl's mother puts a stop to it. (Approximately 3,660 words.)

Cindy was 14 and about to start high school. She was growing up. Janet could see this as she stared down at her daughter's bare bottom. While it was still modest in size, it was swelling with budding maturity. The tight mounds were thick and sturdy, and as smooth as silk. The hairbrush in Janet's hand suddenly seemed inadequate.

She recalled Cindy's last spanking, about a month ago.

Cindy and her cousins had been at a store at the mall where Cindy had carelessly knocked over a display. Security had been summoned, the girls detained, and parents called while the manager tried to figure out if the action was sabotage or deliberate. She'd told Janet that causing a distraction like that was a common tactic by shoplifting gangs.

Ultimately, there was no evidence of intentional damage, though Janet did pay a few bucks to smooth things over. She'd given her daughter quite the paddling when they got home, however. The thing was, Cindy hadn't been that bothered by the spanking. Sure, she'd cried and wiggled, but there hadn't been the true horror and dread that a proper spanking should inspire. Now Janet wondered if it was time for Cindy to graduate to a more severe implement.

"Hold on. Time out," said the woman, guiding Cindy to her feet.

"You changed your mind? You're not spanking me?" the girl asked hopefully.

"Dream on. No, I just realized you're 14 now and too old for the hairbrush."

Cindy looked puzzled. She stood forlornly naked as her mother went down the hall. The girl's emotions were all over the place as she wondered what was going on. Was this good news or bad news?

But then her mother was back and the brush she was carrying now was from the bathroom. It was 18" long with a much larger head, designed for scrubbing your

back or other hard-to-reach places. Cindy's eyes widened and her mouth fell open with horror.

"You're spanking me with *that*?" she gasped. "No, you can't!"

"Don't you tell me what I can and can't do, young lady. You're the one in trouble here. You have zero say in your punishment. Now, back over my knee."

Janet sat on her daughter's bed and patted her legs. Frightened and wary, Cindy approached. She was a slim blond with a pretty face, a tender body, and a quiet disposition. Right now she looked glum enough for two people. She normally took her spankings fairly well, without much fuss, but this was something new she didn't understand. Didn't a bigger brush mean a worse spanking?

She soon found out. Back across her mother's lap, her buttocks jutting up high, the bath brush smacked down with a fierceness that had to be felt to be believed. The long handle gave such leverage that even a mild swing produced intense sting... and Janet was slamming that brush down as hard as she could manage.

"Yow! Owie! Oooh!" howled Cindy, tears flowing almost immediately. The girl began to kick and writhe and twist, frantically attempting to escape her captor as though she was being burned by a flame. It certainly felt like that, her bouncy tush getting smacked over and over by that big brush, her skin sizzling.

Janet held her daughter firmly, however, not allowing her to escape the sting of justice. The back of the large

round head of the bath brush found buttock, one or the other, and left behind blotches of pink and steaming red. Cindy screeched and wept, but her mother was merciless.

This time Cindy wasn't being spanked for mere carelessness at a store: this time she'd been caught red-handed with a bikini swimsuit stuffed in her jeans. That changed everything about the previous incident, too, for now it seemed likely that the girls had been trying to create a commotion so they could steal some items during the chaos. Cindy hadn't admitted anything like that and said she'd stolen the suit all on her own, but her mother didn't believe her.

Now that this spanking was producing appropriate results—her daughter was reacting like she was being murdered—Janet thought it wouldn't be long before the truth came out. She worked the brush all over her daughter's juicy tail, ensuring every inch was hot and glowing, before she paused with a question.

“Have you had enough spanking, Cindy?”

“Oh yes! (*Sob*) Please, Mom, no more! I've learned my lesson, I swear.”

“I'm not sure.” The smooth flat back of the brush glided across the hot peaks of the teen's pert bottom. “I think we're only halfway done.”

“What? No no no, I've had enough!”

Janet smiled at the true terror in her daughter's voice. Unlike the little hairbrush, which she'd been getting for years, the bath brush having the proper effect on her.

“Are you sure? Wouldn't you like at least a dozen more

to each cheek?”

“No! I’ll be good, I swear! Please.” Cindy sobbed in desperation.

“Then tell me the truth. Did Katy and Maddy put you up to this?”

“No, I told you, it was just me.”

“They gave you the idea, though.”

“No, it was my idea.”

Cindy spoke quickly, and it felt forced. Janet frowned. She raised the brush and delivered a terrific salvo to each of her daughter’s buttocks. Instead of switching between cheeks with each spank, she concentrated her blows to the same spot on each chub. Five here, then five there. Then ten to the center of the right cheek, followed by ten to the center of the left.

The result was screaming from Cindy, who found repeated blows to the same place unbearably agonizing. She went wild at the pain, squirming like an eel, but her mother held her firmly and the brush landed at the appropriate place every time.

“Ah! I’m telling the truth, Mommy,” howled Cindy. Her words were almost unintelligible between her screams and sobs, but Janet got the gist.

“Liar! I’m going to give you another spanking just like this tomorrow night for deceit,” she said sternly. “Now I want the truth or I will blister your heinie with this brush!”

To emphasize her point, two more smashes of the brush head impacted on each “sit spot,” the sensitive area

where buttock and thigh merge. It hurt so much Cindy couldn't even yell. Her mouth opened and nothing came out. She writhed in agony, tears streaming down her face. When she finally caught her breath, she was truly beaten. She collapsed.

"I'm sorry, Mommy," she moaned. "You were right. Katy and Maddy wanted me to steal some stuff that time at the mall. When I wouldn't, they pushed me into that display so they could do it, but it caused more damage than they thought and we were all caught.

"But I swear this time it was just me! Katy and Maddy shoplift all the time and tell me it's easy and they never get caught, so I thought I'd get that suit I wanted and couldn't afford."

"I knew it! Those brats are a terrible influence on you. Oh, they're gonna get it!"

"Mom, please! They'll know I ratted. They'll hate me. Please don't do anything."

"I will do one thing. I will give you a sound spanking, young lady. And don't forget you're getting another one tomorrow for lying."

Then Janet began to spank her daughter's bare bottom once more. The big bath brush went up tremendously high and cracked down like bolts of lightning. *Whack! Snap! Smack!*

Cindy shrieked and kicked violently, shouting something about how her mother wasn't being fair, that she'd confessed, and didn't deserve any more spanking.

"I don't think so," said Janet sternly. "I'm glad you

finally told the truth, but you have been shamefully naughty and aren't getting up until your butt has paid the price."

What followed was a nightmare for young Cindy, whose bottom already felt sandblasted and now was pummeled and beaten raw by that long bath brush. It was several more minutes of intensely hard spanking that felt like hours, turning the teen's buns into Chernobyl.

Eventually the punishment stopped. Janet left her daughter to cry herself out on her bed, face down, her reddened bottom jiggling with her sobs. It was by far the worst spanking Cindy had ever received. She wasn't so sure she wanted to grow up if this was one of the side effects!

It was more than an hour before Cindy had recovered enough to use the toilet, wash her face, and put on loose shorts. She was dreadfully thirsty and headed for the kitchen. She filled a glass with juice and gulped half of it down before she became aware of her surroundings. That's when she heard her mother talking. Something in the tone caught her ear.

This was her mother's "mother" voice, a stern lecture of the kind she'd never use to talk to a friend or business associate. It was the tone she used with Cindy when the teen had been naughty. So who was Mom addressing?

Cindy went around the corner to the den. The French doors were open and through the wide doorway the girl saw a sight that chilled her to the bone.

Standing on the rug, their heads and panties down,

stood Cindy’s cousins, Katy and Maddy. Their bare bottoms were tremblingly presented toward Cindy, her Mom standing on the other side lecturing the girls on the evils of shoplifting and “corruption of a minor.” Mom was holding the large bath brush that had so recently tormented her daughter.
