Selected Excerpts

From *Amenable to Discipline*:

Jack had anticipated the girl would be reluctant or rebellious, perhaps even angry. Instead she simply complied with his instructions, which surprised him. She removed her long skirt and slip and clad only in white knickers below the waist, bent across the edge of his desk. Her bottom was indeed magnificent, full and fleshy, the undergarment barely containing the mighty orbs.

From *I Suppose*:

“Thanks, Judge,” she said after court one day. “You saved my ass.”

“It was worth saving.”

He grinned and winked and she blushed, for the khaki trousers that were part of her uniform left little to the imagination. She was five-seven and sturdily built, a pretty black girl with flawless light brown skin and a cute smile. Her booty was enough for two scrawny white girls and the pants made that quite clear.

From *In Another Era*:

The sorority board blasted into the tremendous rump with deafening bangs and booms, the teacher yelping and shrieking as the stinging pain blossomed.

Her ass turned scarlet, fiery red all over the sleek curves. There was no discussion of the quantity of swats. This wasn't that kind of a spanking. Ronda needed to be paddled and Noelle was obliging, providing maternal discipline of the kind from another era. The roasting left the young woman with lavender cheeks as dark as overripe cherries. She stood in corner sobbing until the pizza arrived.

**VOLUME NINETY-NINE

About the Warning labels

Because spanking stories often involve extreme topics (S&M, sex acts, etc.), the Flogmaster labels his stories to give readers an idea of what might be included. Here's a sample:

Paul Bunyan and the Great Lakes

(★ ★ ★ ★ , M/Ffff—Absurdly Severe, nc ole fashion paddlin')

A strange new twist on the ole yarn about how Paul Bunyan and Babe the Blue Ox created the Great Lakes. (Approximately 1,758 words.)

The stars are the Flogmaster's own ratings of his stories. They indicate *writing* quality, not necessarily eroticism. Five star stories are my very best.

Stories are marked with *mFmf* labels to indicate who is spanking whom. Capital letters represent adults and lower case are minors (under 18), and of course, *M* refers to males and *F* to females. Under this system, anything to the left of the slash indicate a Spanker and anything to the right a Spankee. Therefore in the above example an adult male is spanking three girls and a woman. If there are a lot of people involved, sometimes this is abbreviated with a number, such as *F6/f24*, implying that 6 women spank 24 girls. Keep in mind that the label refers to the *primary* participants—sometimes, especially in longer stories—there may be minor spankings of a different type included.

I try to indicate the overall severity level (Mild, Serious, Intense, Severe, or Edgy), as well as what types of spankings are included (i.e. caning, birching, hairbrush spanking, etc.). Stories may also contain other warnings and explanations. These are usually self-explanatory words like "sex" or "anal" (to indicate types of sexual activity). You may also see references to *cons* or *non-cons* (or *nc*). Those abbreviations refer to *consensual* and *non-consensual* spankings. (Punishment spankings, especially those of children, are usually *nc*.) Some stories are labeled *semi-cons*, meaning it's partially consensual (e.g. a reluctant wife submitting to her husband's discipline because she knows she deserves punishment).

The second line contains a brief description of the story. I try not to include any "spoilers" that would ruin the plot for you. The description should intrigue if you are interested in the subject matter, and warn you away if you are not. As always, *read at your own risk*. There's also an approximate word count of the story.

Amenable to Discipline

**(★★★★, M/F, F/mf—Severe, non-consensual
caning)**

When a teacher won't cane naughty pupils, the Head canes her, but she refuses to change her mind. (Approximately 2,510 words.)

The thing about teachers is they know and understand corporal punishment. They use it every day in their classrooms and are fully aware of its positives and negatives, so it's not such a stretch to imagine it used upon them.

If Jack went to a regular employee and suggested caning as a punishment for poor work, they'd think he was crazy. But not teachers. They might argue that they're

too old or a female might say it's not appropriate for a man to cane a woman, but they wouldn't be arguing against the basic concept.

Most teachers, he'd found, were amenable to the cane, especially if it meant keeping their jobs, not having their pay docked, or avoiding a bad writeup on their record. Jack didn't have to cane his faculty often—just the possibility was enough to keep most of his employees following the rules.

But then he heard that Erica Beaumont, one of his new teachers, wasn't thrashing her students. She'd agreed to cane when she took the job, but avoided it and gave out detentions and lines and other punishments instead. Jack sent her a warning letter, but two weeks later the situation hadn't changed. Other teachers were reporting that Erica's students were causing problems in their classes. Something had to be done.

So Jack send her a message to see him after school. She arrived at four o'clock, a lovely blond of 24, blue-eyed and naive. She had full hips he found intriguing. They promised a sturdy bum.

"You wanted to see me, Headmaster?"

"Yes, Miss Beaumont. It has to do with discipline. I've heard reports that many of your students are disruptive, not following the rules, and you haven't corrected them."

"I've given them detention."

"Detention isn't a deterrent. You need to thrash them."

Erica frowned, looking rebellious and uncomfortable.

“You have a problem with that?” asked Jack.

“I do. I was beaten in school and it didn’t do me any good. I hated it and I don’t see why I have to use it on my students.”

“You hated the cane because it was unpleasant and painful, which meant you behaved to avoid it. That speaks of its effectiveness. But I don’t understand what has changed. When I hired you, you said you would use the cane. Were you lying?”

“No sir. I meant what I said and I have used the cane. I just prefer to avoid it if at all possible. It’s a last resort, not a first choice.”

“That’s not the way things work here at Heaton, Miss Beaumont. First of all, your discipline methods are contrary to all your colleagues. That creates an imbalance. Your students know they can get away with murder in your classes and so they do.

“Secondly, two weeks ago I wrote you a letter explaining this and warning you that you needed to start disciplining the Heaton way or there’d be consequences. I’ve seen no progress and in fact the performance of your pupils has retrograded.”

“It takes time, sir. I realize my methods are unusual, but they will work.”

“I’m afraid you are out of time. I must nip this in the bud. Prepare yourself for a thrashing.”

Jack got up and retrieved a long narrow rattan rod from a rack on the wall. It was his headmaster cane, a severe implement reserved teachers and the most

recalcitrant students. Erica watched him, her eyes wide.

“Sir? You... you’re going to cane *me*?”

“For failing to do your duty. Unless you’d rather be sacked? I’d hate to do it as you’re a fine teacher in other regards, but it’s your choice.” He bent the cane into a U-shape and waited.

The young woman considered this. She licked her lips nervously. “I need this job, sir. I don’t think it’s fair to beat me for not caning my students.”

“Maintaining discipline is a key part of your job, Miss Beaumont. I hired you based on your indication that you’d cane. Perhaps a taste of the rod will remind you of the need to fulfill your part of the contract. Now, since this is your first instance of discipline, I will be merciful and only give you 12 strokes over your knickers. If I need to cane you again, I shall not be so generous.”

Jack had anticipated the girl would be reluctant or rebellious, perhaps even angry. Instead she simply complied with his instructions, which surprised him. She removed her long skirt and slip and clad only in white knickers below the waist, bent across the edge of his desk. Her bottom was indeed magnificent, full and fleshy, the undergarment barely containing the mighty orbs.

Without saying anything, the headmaster simply beat the girl. He drew back the rod and lashed it soundly across the center of her buttocks. There was a sharp *whoosh* and a violent *crack*. He expected Erica to shriek and leap up, but she was motionless and silent. He struck a second, and then a third.

She was so stoic he stepped to the side to peer at her face, ensuring she was conscious and suffering. She glared straight ahead with stubborn fury. He returned to his duty and continued the beating, adding cut after cut into those firm round jellies.

After the eighth she wiggled and by ten she was as tense as a thief being strip-searched. He lay on the final two as hard as he could manage and still catch the target properly, the lashes low across the crease of her butt and thigh.

Erica rose slowly, her face dark with rage. “May I be dismissed, Mr. Kavanagh?” she asked icily.

“Have you learned anything?”

“Yes. That I *hate* being caned!”

A week later, Jack Kavanagh had Erica back in his office. “Alan Northop,” he said without preamble. “He was bullying Emma Cartright and you gave him *lines*?”

“He’s sweet on her, sir. He didn’t mean no harm.”

“I suppose that’s why Mrs. Talbot found him harassing Jenny Don and Sally Edgecumbe this afternoon?”

Erica was surprised. “I hadn’t heard about that, sir.”

“The boy deserved a good thrashing and you gave him lines. Two hours later he was snapping the bras of two sixth formers. Does that sound like your ‘discipline’ worked?”

“I could talk to him. It’d be better than the cane.”

“Too late. I’ve just given him two sets of eight! That boy won’t be pinching any bottoms again, I warrant.”

“Sir, he’s only 14. He’s just mischievous, shy, and confused. A beating is the last thing he needed!”

“Well, it’s the first thing you need, that’s for certain. I warned you if you came back her I wouldn’t be so lenient. This time it’ll be two dozen and on the bare bottom. Disrobe and assumed the position!”

For a moment it seemed like Miss Erica Beaumont might rebel, but after a moment of tension, she relented. She removed her skirt and knickers, showing no shame at being naked in front of the headmaster, and bent across his desk. Her legs separated as she braced herself, her fulsome rump presented like fruit on offering.
